Dear Debra Leisek :

Letter of RECOMMENDATION

Re. GINA PELAIA, Property MANAGER

Just recently circumstances forced me to move from Anchor-Pt to Homer. Taking the matter up with AHFC, I was told by Inge Clark to consult Gina Pelaia.

Upon meeting her at Bay-Realty I quickly became aware of Gina's astounding ingenuity of Mind-body, kindness of Heart and clarity of Soul!

What paradoxed my mind, was her incredible ability to quasi-infallibly act on her own in essential decisions that belonged to the Landlord. I began to wonder, whether she were a mind-reader.

I myself am a Real Estate Broker. Gina is the first Property Manager in my long life, that tells a Landlord " what to do, without letting him feel that she is in charge " ! . . and - the case is closed .

I admire Gina's swiftness and celerity of mind most of all ! She reminds me of the Roman Emperor Caesar, that in 22 B.C. said " Veni, Vidi, Vici ", i.e., ' I came, I saw, I conquered ' .

Congratulations to Bay Realty and you, Debra as Broker, employing GINA as you^rprofessional Property Manager .

With a " Summa Cum Laude ", repectfully
